Morgana n'ha Keridwen (aka Baroness Morgana yr Oerfa), Micheil the Younger of An Alltan, Phillippe du Moorgth, Miles de Brooks, and eventually (a month or two after the first meetings) Hirsch von Henford and his (now) ex-wife (the late) Diotima Aristar.

The core of Winter's Gate for several years included the above, and later Antadina du Nordlac (aka Berengeria de Montfort of Carcassonne), Falchion Mountaintamer (aka Fanchion Mountaintamer), Danpira Snowsong, Altano of Annum Ridge and John St. Andrew.

First Peer: King Steingrim admitted Morgana n'ha Keridwen (aka Baroness Morgana yr Oerfa) to the Order of the Pelican during his Yuletide visit to Winter's Gate in December XVI
